Microbiol. 4:211–229. 14. Choi C, Kim M, Lee SN, Lee S, Kim M, Lee SH, et al. (2012) IL-10 priming regulates the expression of the human Rheb pathogen. *PLoS Pathog.* 15. Park SH, Kim YH, Park JH, Lee SH, Park S, Park SH, et al. (2011) Nuclear factor-kappaB, an endoplasmic reticulum stress-activated kinase, is an important mediator of malignant tumors. 16. Park SH, Kim YH, Park JH, Park SH, Kim HJ, Park SH, et al. (2013) IL-10-inducible factor-1 and IL-10-independent cancer cell growth and death in Korean hamster ovary and rat. 17. Park SH, Kim YH, Park YH, Park SH, Kim HJ, Park SH, et al. (2012) A unique role for IL-10-inducible factor in the development of an oncogenic tumor cell line. *Cancer Res.* 60:1298–1301. 18. Suso H, Kim YH, Lee SH, Lee SH, Park JH (2012) IL-10-inducible factor-1 highly regulates cell survival and proliferation through a process of MDM development. *Cancer Res.* 63:5–21. 19. Park SH, Park JS, Park SH, Kim KS, Park SH, Kim HJ, et al. (2010) IL-10-inducible factor-1 is essential for malignant tumor cell growth and death. *Cancer Res.* 61:1842–1847. 20. Park HJ, Park SH, Park SH, Park JH, Park SH, Park SH, et al. (2012) IL-10-inducible factor-1 and IL-10-independent cancer cell growth and death. *Cancer Res.* 63:178–181. 21. Park SH, Park JH, Park SJ, Park HJ, Park SH, Park JH, et al. (2010) IL-10-inducible factor-1 and IL-10-independent cancer cell growth and death in Korean hamster ovary and rat. *Cancer Res.* 63:1298–1301. 22. Park SH, Park HJ, Park A, Park SH, Park JH, Park JH, Park SH, et al. (2010) IL-10-inducible factor-1 and IL-10-independent cancer cell growth and death. *Cancer Res.* 65:1794–1799. 23. Park SH, Park JH, Park JH, Park JH, Park JH, Park JH, et al. (2009) IL-10 inducible factor-1 is essential for malignant tumor cell growth and death. *Cancer Res.* 63:1843–1852. 24. Park SH, Park JH, Park JH, Park JH, Park JH, Park JH, et al. (2009) IL-10-inducible factor-1 and IL-10-independent cancer cell growth and death. *Plant Mol. Cell* 4:317–323. 25. Park SH, Park JH, Park JH, Park JH, Park JH, Park SH, et al. (2009) IL-10-inducible factor-1 and IL-10-independent cancer cell growth and death. *Cancer Res.* 63:1843–1853. 26. Park SH, Park JH, Park JH, Park JH, Park SH, Park JH, et al. (2008) IL-10-inducible factor-1 and IL-10-independent cancer cell growth and death. *Cancer Res.* 63:1843–1853. 27. Park JH, Park JH, Park JH, Park JH, Park JH, Park SH, et al. (2008) IL-10-inducible factor-1 and IL-10-independent cancer cell growth and death. *Cancer Res.* 63:1843–1853. 28. Park SH, Park JH, Park JH, Park JH, Park SH, Park JH, et al. (2008) IL-10-inducible factor-1 and IL-10-independent cancer cell growth and death. *Plant Mol. Cell* 4:317–323. 29. Park JH, Park JH, Park JH, Park JH, Park JH, Park SH, et al. (2008) IL-10-ind
