6. Sato S, Yamamoto H, Yamada H, Watanabe H, et al. (2010) A novel type III secretion system and a novel response element for TGFb- responsive genes. *Oncogene* 5: 3417–3426. 7. Jirachakul et al. (2012) TGFb- responsive factor is a novel host factor involved in the pathogenesis of colorectal cancer. *Cancer Res* 50: R136–140. 8. Kamiya H, Shima H, Fujita K, et al. (2006) TGFb-receptor-activated protein kinase (TAP) is a novel TGFb-regulated kinase in human colon cancer. *Cancer Res* 48: 365–372. 9. Huang J, Liu J, Zhang L, et al. (2012) TGFb-responsive factor receptor-mediated signaling of colorectal cancer. *Cancer Res* 48: 10. Chang LH, Helms S, Zhang C, et al. (2013) TGFb-ribosymbol protein kinase (TAP) is a novel endogenous monoclonal antibody against human TGF-ribosymbol protein kinase. *Mol Cell Biol* 11. Chen X, Zhang J, Hsu Y, et al. (2012) TGFb-ribosymbol protein kinase-resistance gene plays an essential role in colorectal cancerigenesis. *Cancer Res* 65: 1463–1470. 12. Kaegler U, O’Shea A, Kramarikova L, et al. (2009) Endo- genic screening for colon cancer. *J Clin Oncol* 19: 393–394. 13. Kaegler et al. (2009) TGFb receptor-binding protein 1 (TGFb1) is a novel non-invasive marker of colorectal cancer. *Cancer Res* 65: 14. Kamiya H, Kamiya K, Takahashi M, et al. (2006) TGFb-responsive factor gene in human colorectal carcinoma. *Cancer Res* 50: R083–R092. 15. Huang J, Liu J, Li K, et al. (2012) TGFb-ribosymbol protein kinase (TAP) is a novel endogenous monoclonal antibody against human TGF-ribosymbol protein kinase. *Cancer Res* 48: 16. Liu X, Liu Y, Liu J, et al. (2012) TGFb-ribosymbol protein kinase maintains a novel monoclonal antibody against human TGF-ribosymbol protein kinase. *Cancer Res* 48: R1197–1199. 17. Liu S, Liu Y, Liu J, et al. (2011) TGFb receptor-binding protein 1 (TAP1) in human colorectal carcinoma. *Cancer Res* 51: 18. Bauman E, Bauman E, Sifaldi F, et al. (2000) TGFb- responsive factor gene is a novel monoclonal antibody against human TGF-ribosymbol protein kinase. *Cancer Res* 71: 19. Bauman E, Bauman E, Sifaldi F, et al. (2002) TGFb receptor binding protein 1 in human colorectal carcinoma: a novel antibody against human TGF-ribosymbol protein kinase. *Cancer Res* 60: 1478– 20. Bauman E, Bauman E, Sifaldi F, et al. (2002) TGFb receptor-binding protein 1 in human colorectal carcinoma: a novel antibody against human TGF-ribosymbol protein kinase. *Cancer Res* 71: 21. Bauman E, Sifaldi F, et al. (2004) TGFb receptor-binding protein 1 is a novel monoclonal antibody against human TGF-ribosymbol protein kinase. *Cancer Res* 65: R1073–1079. 22. Bauman E, Bauman E, Sifaldi F, et al. (2005) TGFb receptor-binding protein 1 in human colorectal carcinoma: a novel antibody against human TGF-ribosymbol protein kinase. *Cancer Res* 71: 14– 23. Bauman E,
