2. Araki S, Tahiri A, Matsuoka M, Yamauchi K, et al. (2012) Chemical effects of bromide on *P. vaginalis*. *Br J Virol.* (2011) A chemical basis of vaginal epithelial regulatory responses to oral bromide. *J Virol.* (2011) An overview of bromide-induced expression and consequently its role in producing *P. vaginalis*. *Int J Immunol.* (2011) Bromide-induced B-cell degeneration in B-cell- microbiota. *Br J Microbiol.* (2011) B-cell apoptosis in human B-cells. *Br J Microbiol.* (2011) B-cell apoptosis in B-cells induced by oral bromide. *Clin Exp Res.* (2011) B-cell apoptosis in B-cells induced by oral bromide (B-cell/B-cell/B-cell/B-cell/B-cell- cell) 1.2.4. B-cell apoptosis in B-cells induced by oral bromide (B-cell/B-cell/B-cell/B-cell/B-cell/B-cell- cell) 2. Leptin and B-cell apoptosis. 3.1. B-cells and B-cells are mechanistic cells of the human body. B-cells contribute to the head and neck development of the human body. 4. Aromatic effects of oral bromide on B-cells. 5. Effects of oral bromide on B-cells in neonatal nurses. 6. Effects of oral bromide on B-cells in neonatal nurses. 7. Effects of oral bromide on B-cells in neonatal nurses. 8. Effects of oral bromide on B-cells in neonatal nurses. 9. Effects of oral bromide on B-cells in neonatal nurses. 10. Effects of oral bromide on B-cells in neonatal nurses. 11. Effects of oral bromide on B-cells in neonatal nurses. 12. Effects of oral bromide on B-cells in neonatal nurses. 13. Effects of oral bromide on B-cells in neonatal nurses. 14. Effects of oral bromide on B-cells in neonatal nurses. 15. Effects of oral bromide on B-cells in neonatal nurses. 16. Effects of oral bromide on B-cells in neonatal nurses. 17. Effects of oral bromide on B-cells in neonatal nurses. 18. Effects of oral bromide on B-cells in neonatal nurses. 19. Effects of oral bromide on B-cells in neonatal nurses. 20. Effects of oral bromide on B-cells in neonatal nurses. 21. Effects of oral bromide on B-cells in neonatal nurses. 22. Effects of oral bromide on B-cells in neonatal nurses. 23. Effects of oral bromide on B-cells in neonatal nurses. 24. Effects of oral bromide on B-cells in neonatal nurses. 25. Effects of oral bromide on B-cells in neonatal nurses. 26. Effects of oral bromide on B-cells in neonatal nurses. 27. Effects of oral bromide on B-cells in neonatal nurses. 28. Effects of oral bromide on B-cells in neonatal nurses. 29. Effects of oral bromide on B-cells in neonatal nurses. 30. Effects of oral bromide on B-cells in neonatal nurses. 31. Effects of oral bromide on B-cells in neonatal nurses. 32. Effects of oral bromide on B-cells in neonatal nurses. 33. Effects of oral bromide on B-cells in neonatal nurses. 34. Effects of oral bromide on B-cells in neonatal nurses. 35. Effects of oral bromide on B-cells in neonatal nurses. 36. Effects of oral bromide on B-cells in neonatal nurses. 39. Effects of oral bromide on B-cells in neonatal nurses. 40. Effects of oral bromide on B-
